

FCC 3101

*HOUSEKEEPING*

# LESSON 0

## INTRODUCTION

# 0.1 WHAT IS QUALITY LEARNING?

1. A **quality learning process** must have **four components**:

(1) QL imparts the **knowledge** [Teaching]

(2) QL bestows the requisite **skills** [Training]

(3) QL instills positive **attitude** [Motivation]

**Necessary for  
a successful  
career**

2. But a **successful career** can only be realized if the student passes **the exams**. That is the starting point.

3. Quality learning must include **coaching**  
to prepares the student to pass the exams.

**Fourth  
component**

## 0.2 WHAT IS HOUSEKEEPING?

1. The word “housekeeping” refers to “extracurricular lessons whose objective is to prepare students for the Exam”.
2. The word “Exam” should be taken to mean either “the CAT or the main Exam”.
3. FCC 3101 housekeeping lessons are aimed at guiding and coaching students in preparation for the Exam.
4. The housekeeping lessons are divided into two parts:  
Part 1 deals with guidance. Part 2 deals with coaching.

**FCC 3101 HOUSEKEEPING**

**PART 1**

# LESSON 1

## TIME MANAGEMENT

# 1.1 What is Time Management?

1. Time management is defined as the process of **planning and control of time** in order to optimize efficiency.
2. Time management involves a deliberate effort to **rationalize the amount of time** spent on each activity.
3. The normal activities in a student's daily are: **studying, recreation, idling and socializing.**
4. The aim of time management is to ensure that the **prioritized activities are allocated sufficient time.**

## 1.2 Why Manage Time?

1. **Time is limited, non-elastic and non-recoverable.**  
Each day must have 24 hours only. No more, No less.
2. **Time lost** doing useless things or doing nothing **can NEVER be recovered.** Time cannot be borrowed from the future.
3. In the introduction to housekeeping, it was agreed that the **starting point** in your career is **passing the exams.**
4. Passing exams requires sufficient preparation which is **possible only if sufficient time is allocated for study.**

# 1.3 How to Manage Time

1. The first step in time management involves **setting your priorities in the correct order.**
2. The second step in time management involves **preparing a suitable daily work program (DWP).**
3. The third step in time management involves **preparing a suitable study timetable (STT).**
4. The fourth and last step in time management involves **the deliberate effort to strictly adhere to your STT.**

# 1.4 Summary Lesson 1

Time management can be summarized by the mathematical equation:

$$\text{TM} = \text{DWP} + \text{STT} \dots\dots\dots \text{Eqn 1}$$

**TM** = Time Management

**DWP** = Daily Work Program

**STT** = Study Time Table

# LESSON 2

## STUDY TECHNIQUE

## 2.1 Semester Periods

### 1. Lecture Time [When Exams are still far away]

**Understand the lecture notes.**

### 2. Revision Time [Exam is just around the corner]

- (1) **Practice** by answering the tutorial questions.
- (2) **Set** and answer your **own** similar **questions**.
- (3) **Perfect** your **speed**.
- (4) **Avoid** **forgetfulness**.

## 2.2 Forgetfulness

1. Forgetfulness is a mental condition which occurs when **useful memory space** is occupied by **useless things**.
2. Useless things are like spending too much time:
  - (1) On **Facebook** or **Twitter** or **Tiktok**
  - (2) Chatting with your **girlfriend** or **boyfriend**
  - (3) Watching **English** or **Spanish** football
3. **Remember:** The memory that goes to the Exam is **what you learned LESS what you forgot.**

## 2.3 Summary Lesson 2

The Study Technique recommended in this lesson may be summarized in two mathematical equations:

$$\text{ST} = \text{ULN} + \text{DSP} \quad \dots\dots\dots \text{Eqn 2 (a)}$$

$$\text{EM} = \text{L} - \text{F} \quad \dots\dots\dots \text{Eqn 2 (b)}$$

**ST** = Study Technique

**ULN** = Understand Lecture Notes

**DSP** = Do Sufficient Practice

**EM** = Exam Memory

**L** = what you Learned

**F** = what you Forgot

**END OF PART 1**

**FCC 3101 HOUSEKEEPING**

**PART 2**

# LESSON 3

## EXAM PREPARATION

# 3.1 Background Information

As you prepare for the Exam, keep this background information in your mind.

1. The **Exam is timed**. [Speed is crucial]
2. The Exam is **designed for the average student**.  
[Not too hard, Not too easy]
3. You are required to **obtain at least 40%**.  
[Otherwise you are listed for a supp]
4. **Supps are demotivating**. [Avoid Supps if you can]

## 3.2 Personal Assessment

Assess yourself and **choose your desired target range**

1. **A1 student** = 80 – 100%
2. **Above average student** = 70 to 79%
3. **Average student** = 60 to 69%
4. **Below average student** = 50 to 59%
5. **D student** = 40 to 49%

**[S K does not expect any student to target “D”]**

## 3.3 Plan of Action (PoA)

Prepare a suitable **Plan of Action** as follows:

1. **A1 student** = Plan to **“Attempt”** 3 questions
2. **Above average** = Plan to **“Attempt”** 3 questions
3. **Average** = Plan to **“Attempt”** 2 and  $\frac{1}{2}$  questions
4. **Below average** = Plan to **“Attempt”** 2 questions
5. **D student** = Plan to **“Attempt”** 1 and  $\frac{1}{2}$  questions

**“Attempt”** means **complete and** get everything right]

## 3.4 Strategic Line of Attack (SLA)

Using your Plan of Action, prepare a suitable **Strategic Line of Attack** as follows:

1. Choose the questions you can **“Attempt”**
2. Start with the questions you consider **“easy”**

**NOTE 1.** During the Exam, **Avoid CANCELLATIONS.**

**NOTE 2.** Items **1** and **2** are done **in advance.** [Lesson 5]

## 3.5 Summary Lesson 3

In order to prepare for the EXAM you must satisfy the mathematical equation:

$$\text{PE} = \text{PoA} + \text{SLA} \quad \text{.....} \quad \text{Eqn 3}$$

**PE** = Prepare for Exam

**PoA** = Plan of Action

**SLA** = Strategic Line of Attack

# LESSON 4

## HOW TO PASS EXAM

## 4.1 Pre-Requisites

There are **five pre-requisites** for those who want to pass the Exam:

1. **Adequate Preparation.**
2. **Sufficient Practice.**
3. **Suitable PoA and SLA.**
4. **Positive Attitude.**
5. **High self Confidence.**

## 4.2 Exam Must DOs

1. **Must read the instructions carefully.**
2. **Must read each question carefully.**
3. **Must choose your questions wisely.**
4. **Must answer only what is asked.**

## 4.3 Exam Must NOT DOs

1. **Must NOT** bring cell phones.
2. **Must NOT** bring learning materials.
3. **Must NOT** bring impersonators.
4. **Must NOT** cheat in any other way.

## 4.4 Exam Guidelines

1. **Write your Registration Number clearly on the cover of the answer booklet and at the top of each page.**
2. **Fill in the other required information.**
3. **Towards the end of the exam, indicate the questions you have attempted.**

**[See sample answer booklet]**

[illegible]

## 4.6 Summary Lesson 4

In order to pass the EXAM you must satisfy the mathematical equation:

$$PE = P_1 + P_2 + A + C \quad \text{.....} \quad \text{Eqn 4}$$

**PE** = Pass Exam

**P<sub>1</sub>** = Adequate Preparation

**P<sub>2</sub>** = Sufficient Practice

**A** = Positive Attitude

**C** = Self Confidence

# LESSON 5

## EXAM LAYOUT

# 5.1 CAT Layout

Attempt **ANY TWO QUESTIONS**

**TIME = 80 Min**

|                   |                         |                   |
|-------------------|-------------------------|-------------------|
| <b>QUESTION 1</b> | <b>Chapter 1</b>        | <b>[5 marks]</b>  |
|                   | <b>Chapter 3</b>        | <b>[5 marks]</b>  |
| <b>QUESTION 2</b> | <b>Chapter 2</b>        | <b>[10 marks]</b> |
| <b>QUESTION 3</b> | <b>Chapter 4 Part 1</b> | <b>[10 marks]</b> |
| <b>QUESTION 4</b> | <b>Chapter 4 Part 2</b> | <b>[10 marks]</b> |

**TOTAL CAT MARKS = 20**

## 5.2 EXAM Layout

**Attempt QUESTION 1 AND ANY OTHER TWO QUESTIONS**

**TIME = 120 Min**

|                   |                         |                   |
|-------------------|-------------------------|-------------------|
| <b>QUESTION 1</b> | <b>Chapter 1</b>        | <b>[10 marks]</b> |
|                   | <b>Chapter 3</b>        | <b>[20 marks]</b> |
| <b>QUESTION 2</b> | <b>Chapter 2</b>        | <b>[20 marks]</b> |
| <b>QUESTION 3</b> | <b>Chapter 4 Part 1</b> | <b>[15 marks]</b> |
|                   | <b>Chapter 4 Part 3</b> | <b>[5 marks]</b>  |
| <b>QUESTION 4</b> | <b>Chapter 4 Part 2</b> | <b>[20 marks]</b> |

**TOTAL EXAM MARKS = 70**

**FCC 3101 HOUSEKEEPING**

**THE END**
